## Headteacher Awards and Message

This week, I have seen **Owen** (Year 4) being very kind to his peers and **Max** (Year 2) being kind and polite.

Thank you to everybody who supported the PTA at the Light Switch On, it was lovely to see so many of you and it was delightful to listen to our children sing outside and make others aware of what we do. This afternoon has been full of fun with the pantomime that the PTA have arranged - thank you PTA!

Lots of you have been asking about the restrictions on certain foods for children in Pre-School and Reception class. On 1<sup>st</sup> September, there was new guidance from the government about foods that are suitable for children in this age group. It has meant that Dolce (our catering company) have needed to make some changes to the menus. We are continuing to work with Dolce in providing a good offer to children, especially when some choices cannot be served to the children.

We have been monitoring the drinks that children have in their water bottles, as some children appear to be having juice in their water bottle instead of water. Children will not be allowed to drink juice throughout the school day as this is harmful to their health, teeth as juice will contain sugar.

We thank you for your co-operation on this. Have a lovely weekend. Miss North

## Catholic Life and Mission

This week the children have been thinking about the Jubilee year of hope and what continuous activities they can do to carry on the work that we started.

Year 6 RE leaders have been fantastic at encouraging children to attend Lunchtime Liturgy Club and this is proving very popular. Thank you Year 6!

This week we pray for Bishop Thomas McMahon, who died peacefully on 24<sup>th</sup> November. He was the longest serving Bishop of Brentwood.

Like all other schools, the Government are tracking children's attendance. Our attendance is affected significantly by children staying at home with minor illnesses. Please see this link that tells you when to send your child in school and when to keep them at home - <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

**We will therefore be unable to authorise repetitive absences for minor illnesses** (which is in line with other schools in South Woodham). We appreciate that there may be some times when your child does need to stay at home with these minor illnesses, however, this shouldn't be on a regular basis.

### Attendance

Year 1 - 97%  
Year 2 - 97%  
Year 3 - 93%

## **William de Ferrers Year 4 Tag Rugby Tournament**

On Tuesday, some of our Year 4 pupils were in action at the Year 3-4 tag rugby tournament at William de Ferrers. The team of; Luke, Owen, Messiah, Sonny, Finley, Alfie, Mia, Tia, Tilly and Gracie played fantastically despite only playing a limited amount of tag rugby prior to the tournament. It was fantastic to see the level of skill, determination and excellent teamwork displayed by the entire team, well done! There were some amazing tries scored and excellent tagging of the opposition took place. The team played brilliantly throughout and finished the competition in fifth place, well done!

Thank you to all the parents who braved the freezing temperatures to watch and support the team, thank you.

## **William de Ferrers Boccia, New Age Kurling and Sitting Volleyball Event**

On Wednesday, a team of pupils from across KS2 represented our school at the boccia, new age kurling and sitting volleyball event at William de Ferrers. The team of; Theo, Harry, Rosie, Thurston and Sophia thoroughly enjoyed the opportunity to participate in these new sports against pupils from other local schools. They listened carefully as rules were explained and took part competitively in all events. It was fantastic to see them trying new things and building in confidence and skill as the event went on. Well done everybody!

Thank you to Mrs Bean and Miss North for accompanying the team to the event.

Mrs Hillier
