Headteacher Weekly Message

This week has been a busy week in school for all the adults, and our Year 6 children have been having a fabulous time in the Isle of Wight. Most of you will have received your child's school report today, please click on the digital link to provide your response to the report.

We will be going ahead with Sports Day on Monday, but the event will be heavily modified due to the heat. We would be very grateful for gazebos to keep both the children and adults protected from the sun. The children will only complete 2 races plus the running race and children will only watch the running race. Please ensure that your child has a hat to wear, plenty of water and apply sun cream on before they come to school. This way we should be able to manage the event with the weather. ON Tuesday, we will have a videographer in school creating images and videos for our new school website. Have a lovely weekend. Miss North

In the Gospel, Jesus gathers his friends together and sends them out with a mission to share his peace with everyone. He says "Whatever house you enter, first say, peace be to this house. We learn to understand that Jesus always wants us to share his peace.

WONDER QUESTIONS

IN THE GOSPEL, WHY DID JESUS ASK HIS FRIENDS TO TRAVEL WITH SO LITTLE?

WHAT DO YOU THINK THE 72 LEARNED FROM THE CHALLENGE JESUS GAVE THEM?

Terrific Teddy Awards

Well done Year 6 – you will have extra playtime this week.

Should I send my child to school, if they are ill?

During the winter months we are seeing an increase in children being off school because they are unwell. We support you, as parents to decide what is best for your child, but the guidance below is useful. Alongside this guidance, please support your child's health, by ensuring that they are getting all the vitamins and minerals they need to stay healthy. Where appropriate, consider whether your child could come back to school a day or so earlier when they have been off with a cold/cough.
