## Headteacher Weekly Message

This week, it was lovely to see everyone looking so smart for the class photographs – these make a great memento of your child's school years. Year 4 presented a fabulous Class Assembly on Tuesday – well done Year 4! On Wednesday, we held our Pre-School & Reception Open Morning, thank you, if you have helped to spread the word that parents should consider St Joseph's for their child. We are currently trying to market the school so that we can continue to thrive and grow. Have a lovely bank holiday weekend. Miss North

\*Remember that we are closed on Monday 2<sup>nd</sup> June as it is an INSET day.

## Catholic Life and Mission

This week, the children have continued to think about how Jesus loves us and how we can love others in the same way. The children thought of practical examples of how they do this in school, at home and in the community.

### GOSPEL

JOHN 13:31-33A, 34-35

When Judas had gone out from the upper room, Jesus said, "Now is the Son of Man glorified, and God is glorified in him. If God is glorified in him, God will also glorify him in himself, and glorify him at once. Little children, yet a little while I am with you. You will seek me, and just as I said to the Jews, so now I also say to you, 'Where I am going you cannot come.' A new commandment I give to you, that you love one another: just as I have loved you, you also are to love one another. By this all people will know that you are my disciples, if you have love for one another."

AS YOU SLOWLY  
READ OR LISTEN TO  
THE GOSPEL, WHICH  
LINE STANDS OUT?  
HIGHLIGHT IT IN THE  
TEXT. PRAY ABOUT  
HOW GOD MAY BE  
SPEAKING TO YOU  
THROUGH THIS LINE?

## PTA News

The PTA have £1000 for the new PTA to use on something that benefit the whole school. We are very grateful for the 7 ipads, ipad covers and screen protectors that Mrs Coster and Mrs Mandy have bought using the previously raised funds. We will put 1 ipad in each class. We are continuing to fundraise for ipads as we would like each class to have a class set of 6. Ipads are used for interventions, research, photos and videos by the children.

## Should I send my child to school, if they are ill?

During the winter months we are seeing an increase in children being off school because they are unwell. We support you, as parents to decide what is best for your child, but the guidance below is useful. Alongside this guidance, please support your child's health, by ensuring that they are getting all the vitamins and minerals they need to stay healthy. Where appropriate, consider whether your child could come back to school a day or so earlier when they have been off with a cold/cough.
