Headteacher Weekly Message

On Tuesday this week, we were treated to a magnificent Easter Play! Years 3 & 4 guided us through the Easter story with excellent narrating, acting and singing. Well done! On Wednesday our Literacy Consultant from New Vision English Hub came to see how we have adapted our phonics teaching and what teaching each pupil needs. It was a very positive day which showcased the good teaching that the children experience. Today, Year 6 parents had the opportunity to learn about the Maths that their children will experience in Year 7 and ways that parents can support them. I am pleased to announce that our second parent governor is Mrs Goodman (parent of Jack Year 2 and Max Year 6). Thank you to all the staff for their dedication to the children and thank you to all parents for your continued support with school life. I wish you all a blessed and happy Easter, Miss North.

Catholic Life and Mission

This week the children learnt about who was the first to throw a stone. As Passiontide begins, the children heard an account in the Gospel of Jesus helping a woman who people want to punish. She has been accused of breaking a promise in marriage, there is anger all around, but Jesus met this anger with words of love and forgiveness. We talked about how Mary helps us to reflect upon what Jesus may be saying to us through this Gospel.

MISSION

Jesus surprised everyone in the Gospel with His answer of love. Your Mark 10 Mission is to think of someone you know and to do something kind for them that they aren't expecting. How can you bring the surprise and gift of love to someone around you?

PRAYER

Jesus invites you to be like Him. We ask you to forgive others. Write a prayer asking Jesus to help you grow in the virtue of forgiveness.

Terrific Teddy Awards

Should I send my child to school, if they are ill?

During the winter months we are seeing an increase in children being off school because they are unwell. We support you, as parents to decide what is best for your child, but the guidance below is useful. Alongside this guidance, please support your child's health, by ensuring that they are getting all the vitamins and minerals they need to stay healthy. Where appropriate, consider whether your child could come back to school a day or so earlier when they have been off with a cold/cough.
