Headteacher Weekly Message

This week started with a bank holiday and ended with a new Pope! On Tuesday, Mrs Hillier led the children in a beautiful May Procession as May is the month that we celebrate Mary. Thank you for the donations that you have given. On Thursday, we had our consultant from the New Vision English Hub work with us in continuing to enhance our phonics provision. As well as this, the children celebrated VE Day with a range of activities. Please can you come to the front of the school if you are late collecting your child. Parents are not permitted to come into the school library at the end of the day. Thank you for your co-operation. Please keep Year 6 in your prayers next week as they take their SATS tests. The children have worked very hard so that can complete the tests to the best of their ability. Have a lovely weekend. Miss North

Catholic Life and Mission

This week, the children have been learning about our mother Mary following on from the May Procession - Thank you to Fr Matthais for leading this. On Thursday, the children watched a recording about the cardinals and how they vote for a new Pope as this is a process that they may not be familiar with.

Prayer for Pope Leo XIV

Faithful God,
You guide us on the path of life
and your goodness is our constant companion.

Be with our new Shepherd, Pope Leo XIV,
in his service of the Church.
Fill him with the power of your Spirit,
the peace of your presence
and the compassion of Christ.

May he walk with you,
in wisdom and humility,
and lead us, together with all God's people,
to embody your love for the world.
Amen.

Should I send my child to school, if they are ill?

During the winter months we are seeing an increase in children being off school because they are unwell. We support you, as parents to decide what is best for your child, but the guidance below is useful. Alongside this guidance, please support your child's health, by ensuring that they are getting all the vitamins and minerals they need to stay healthy. Where appropriate, consider whether your child could come back to school a day or so earlier when they have been off with a cold/cough.
